

*Welcome to Heaven,
Dr Franklin...*

WILLIAM MESSNER-LOEBS, creator of *JOURNEY* and writer of *EPICURUS THE SAGE*, tackles history and heaven complete in one issue!

Benjamin Franklin passes through the pearly gates, only to find the throne of god filled with an ancient Roman emperor. This is a thoughtful, funny, and rich tale from the comics master of historical fiction, Bill Messner-Loebs. A complete graphic novella in one issue!

Contains non-erotic nudity, a non-dogmatic view of heaven, and a character named "Sunshine Aquarius". Not recommended for those offended by such things.
