## CHARLES M. SCHULZ'S LOST COMIC

In the late 1950s, during a period of intense creativity, the creator of Peanuts started another newspaper comic. None of these hundreds of cartoons has ever appeared in a book. Complete in one volume.

### Charles M. Schulz on sports and games

While working on Peanuts, Schulz created a second syndicate comic, this one focusing on the way we win, the way we lose, and the way we play the game. Now this long-lost material is finally collected in book form for the first time.
